QUESTION: Where do we want Schoenbrunn to be in 2022, on its 250th Birthday?

Focus: In addition to improving the overall campus (ground & facilities), planning participants were encouraged to focus on five areas during the planning process to make sure projects touched these aspects:

- Educational Goals
- Legacy Goals
- Celebratory Goals
- Commemorative Goals
- Outreach Goals

Great emphasis was placed on the critical need to work in collaboration and parallel with other ongoing Ohio History Connection (OHC), Schoenbrunn, City of New Philadelphia, community and Dennison Railroad Depot Museum initiatives already in motion including but not limited to the following:

- The Cabin Symposium and follow-up Goehring cabin/lot rebuilding plan,
- The newly approved OHC American Indian Guidelines,
- The Schoenbrunn Interpretive and Exhibit Plan,
- Archeology plans and site protections,
- Tuscarawas County Trail Plan, East High Corridor Trailway Plan, and use of Schoenbrunn’s existing trails in the lower level,
- The current development of the Zeisburger Trail south of Schoenbrunn,
- The potential opportunity of Clean Ohio Funds for the McDevitt House removal or alternate plan for the house,
- Kent State Tuscarawas’s new entrance adjacent to the Village,
- The Dennison to Dover Rail Excursion Plan which would include Schoenbrunn as a major stop.
This Strategic Plan is to be shared with all partners and efforts will be made to seek feedback.Input is welcomed from American Indians Partners local, both from Oklahoma and from Canada, from Moravian Churches and Bethlehem, and scholarly partners such as Susan Goehring, and OHC staff.

Identified Priorities:
The Planning Process included 19 participants. Each had 2 votes each to identify priorities.

Implementation Process
Oversight: A small but nimble 250th Anniversary Committee will be created composed of Depot Staff, Schoenbrunn Staff and volunteers will begin meeting once a month in early 2019 to oversee the development of the Strategic Plan initiatives. This group will establish subcommittees and task forces as needed. This group will stay in regular contact with OHC and partners unless otherwise noted in subcommittees.

Subcommittees: Teams will be created to oversee each of the four areas below, and make sure all five areas are covered:

- Educational Goals
- Legacy Goals
- Celebratory Goals
- Commemorative Goals
- Outreach Goals

9 votes: Rebuild Cabin 17 and Shebosh. Start and end Anniversary Celebration with rebuilding two missing cabins originally included in the Village Reconstruction but lost over time. (There were originally four other cabins built that have since been lost.) It is appropriate for Shebosh - the very first cabin built during the Reconstruction to be the Grand Finale of the Anniversary Celebration. Cabin 17 and outbuildings to be built in 2019,
outbuildings to be added each year, Schebosh to be built in 2022. Uniform chinking to be ongoing on all cabins over time so to be fully completed by 2022. A comprehensive Cabin Building Plan will be in place to continue these efforts after 2022.

7 votes: Lower level improvements that include rebuilding restrooms, upgrading electric, lighting, picnic amenities, trails/hiking, signage and refreshment Stand opportunities.

6 votes: Improved interpretation in both the Museum and the Village, with more interactive activities/exhibits and creative use of spaces. This includes better signage, wayfinding, and many new aspects to appeal to the senses. Also needed is a new interpretive plan with corresponding menu of tours, corresponding volunteer and docent training material and training strategy coupled with updated educational packets and lesson Plans. All needs to include the Native Voice at a much higher level.

4 votes: Virtual/audio Tours for use on site, on social media, in marketing, and with tours.

4 votes: Recreate Museum Orientation. This includes but is not limited to replacing the Film/DVD, improve presentation of media in the Museum, incorporate drone and aerial views, and if possible - oral History or scholarly interviews where appropriate.

3 votes: Create a commemorative item (i.e. reproduction of the school bell, miniature cabin, appropriate American Indian Item, etc.) and a commemorative plate at First Towne Days Festival in 2022.

3 votes: Make the Schoenbrunn Spring Work!

Outreach/Marketing Goals: How do we share our Story?

1. Create a special Schoenbrunn 250th Anniversary Logo to use throughout this process.
2. Plan an intentional kick-off of the Strategic Plan with an organized sharing process to both local partners, media and state partners.
3. Partner with the target organizations above, starting in 2019, to ask them to commit to adopting a project, seeking funding, donation of items and in kind service.
4. Plan an overall umbrella Marketing Plan to get information out on the Anniversary. Plan will include a variety of tools incorporating the new logo: Postcards, banners, flyers, downtown square banners, the new big sign on the Maintenance Building, press packages, etc.
5. Create Outreach Tools to take our Story on the road such as Pop-up exhibits, pop-up banners, car magnets, etc.
6. Outreach with an aggressive exhibits schedule, booking in advance multiple sites including the Tuscarawas County Library, the Statehouse, perhaps exhibits in Oklahoma and Canada, as well as Bethlehem and Winston Salem.
7. Plan a lively educational program partnering local New Philadelphia School Students with Delaware students of same age in Oklahoma and Canada. Projects could include Pen Pal program, skyping in classrooms, exchanging of history, artwork, etc. Teacher packets an important component of this.
8. Encourage all New Philadelphia City School students to visit during Anniversary.
9. Reach out to every single Ohio School in advance, encouraging them to visit during the 2022 season.
10. Provide lesson plans to all schools. (i.e. Ohio History Tour. Work with Ohio as America Textbook team.)
11. Create a Speaker’s Series to help educate people about Schoenbrunn. Include speakers who can go into the school systems.
12. Use the momentum of the Anniversary to reach out and grow all aspects of the Village: volunteer corps, community connections, public use of site, interactions with educational organizations (schools, colleges, libraries). Build a stronger presence and sense of significance in the community,
13. Reach out to Conner Prairie to connect stories, create awareness and explore partnership opportunities.
14. Apply for an EDDA Tourism Award as well as other awards for additional awareness.
15. Reach out farther to share the news such as Travel Shows, the State Fair, etc.)

Potential Time Frame (2018 - 2022)

**Prepare project checklists for all agreed upon projects

2018: Fine-tune our Strategic Plan seeking feedback internally. Present our plan to OHC, site supervisor and American Indian Partners, seeking feedback at that first level. Complete potential Timeline. Complete all due diligence and legwork (archeology, building plans) to rebuild Native Cabin #17. Match projects with partners and to prepare for presentations/asks in 2019. Capital Budget for Interpretive Plan in motion. Assist with Exhibit and Interpretive Planning in motion. Continue to build relationships with American Indian partners through workshops, correspondence, Native Conference, etc. Work with State to have a current, encompassing deferred maintenance
List and Plan of Action which will be whittled down over next five years.

2019
Present our plan to OHC at partners at large, welcoming feedback and Ideas. (Delaware/Moravians/Community/State/City Council/Tusc CVB/Tusc Co Historical Society, etc.)
Create new logo

Challenges to overcome
Limited staff both at OHC and Schoenbrunn
Long distance connections - Oklahoma and Delaware
Funding
No OHC grantwriter
Daily operations keep staff busy, hard to get above daily fires
OHC has full plate and can be bureaucratic. Schedules sometimes move slowly
Getting the attention of OHC since we are only one of 59 sites
Many needs in the area for local funders
Challenges of reactivin
